

AAFCS E-Book Series

Family & Consumer Sciences Compendium Series

This all-digital series is a peer-reviewed collection of previously published works by AAFCS in the *Journal of Family & Consumer Sciences*, *Family & Consumer Sciences Research Journal*, AAFCS Webinars, and other selected works. Each volume will focus on a specific topic within the broad field of family and consumer sciences.

Ideal for:

- Higher education course materials/textbooks
- Educators in Cooperative Extension
- Secondary educators
- Family and consumer sciences professionals in other practice settings
- Individuals who are entering FCS roles via other professions and need foundational materials
